

### Types of migration, transnational migration, transnational communities, development and transfers (New York)

#### Questions

- What types of migration exist? How are they related?
- What is transnational migration? What is special about it?
- What distinguishes transnational communities and how do they arise?
- What relationship exists between migration and development, particularly from a transnational perspective?
- What transfers are caused by migration? Is it only for financial / material aspects or do other aspects exist? What does it mean for the communities concerned?

## Gender relations and migration (Washington)

### Questions

- How does the migration of women differ from the migration of men?
- Which risks and opportunities exist for women?
- Are there gender-specific fields of work, needs, goals and strategies?
- Why do women migrate?
- Do the gender relations, e.g. concerning responsibilities and roles of men and women, change?
- Do gender specific attributions change, e.g. images and ideas of what women and men are like, how they should behave, etc.?

## Second and third generation: education, identity (Florida)

### Questions

- Which position do the descendants of immigrants have in the U.S.?
- How are they categorized, how do they see themselves?
- Into what kind of groups are people divided in the U.S.?
- Where do the terms Latino and Hispanic come from?
- What educational opportunities do children of migrants who grew up in the U.S. have?
- Does this differ among the various stages in the education system?

## Cultural aspects, indigenous migration (California)

### Questions

- What does migration cause in the cultural sector? Which new forms may arise?
- What is the special position of indigenous migrants in the U.S.?
- How are indigenous migrants seen by other Mexican immigrants?
- What special problems might they encounter? How do they deal with them?
- How do indigenous organizations differ from other migrant organizations?  
How is their relationship?

## Labour conditions, agricultural sector, everyday life, civil society/migrant organizations (Texas)

### Questions

- Under what conditions do migrants work, e.g. in the agricultural sector?
- How are working conditions in the case of irregular migrants?
- Why does the agricultural sector often depend on these workers?
- What is the daily life of migrants like?
- Do irregular migrants live in the background or is it possible to live a relatively »normal« life?
- Do irregular migrants accept their situation or are there any attempts to change it?
- Can irregular migrants become politically active?
